Good afternoon

I refer to your recent Freedom of Information request submitted to the Office of the Police and Crime Commissioner for Humberside on 3 February 2025 as follows:

"I'd like a freedom of information request in what is going on at the Lawns in Cottingham. [*redacted**] I feel it's very nerving seeing police there all the time with guard dogs patrolling and it being heavily gated and guarded."

In response to your request, I can advise that the following information is held by the Office of the Police and Crime Commissioner for Humberside:

The area behind the Lawns is currently being used as a Police training centre. This includes police dog handling training and public order training. I hope that this explains why police officers are frequently in attendance and the presence of police dogs.

If you need any further information regarding police training you can contact Humberside Police directly at chiefconstable@humberside.pnn.police.uk

Kind regards

Paula Cotton
