"As I look back on the past year, I am immensely proud of the dedication and impact demonstrated by my office, working with Humberside Police and local partners to build safer communities. We strengthened our commitment to tackle domestic abuse and end violence against women and girls. We have also channelled vital funding into all communities, supporting local projects to tackle ASB and prevent crime. Together, we ensure the public's voice shapes an effective policing model for every corner of the region"
